

## **ANNUAL REPORT... (2017-2018)**

Good Evening to all, It is my privilege to have venerated Shri Avinash Rai Khanna Ji, Vice President of BJP; S. Gurvinder Singh Bahra Ji, Chairman Rayat Bahra Group Of Institutes; Dr. Chander Mohan ji, Campus Director Hoshiarpur; Dr. Rakesh Sachdeva, Director Schools; my fellow Principals, Dignitaries, our worthy Parents and other invited guests of this November evening.

I take this opportunity to convey my warmest greetings to you, and welcome you all to our 1st Prize distribution Function today.

Rayat Bahra International School is a vibrant learning community, where students are provided access to high quality education, that has breadth, depth, and opportunity and is holistic in its preparation **for post school futures.**

Across the 2017-18 calendar year, learning was experienced through a range of formats and environments.

Students are encouraged to embrace the challenges of learning as sustenance for their minds, bodies and spirits. They are immersed in an environment that promotes the values of public education, a consistent work ethic, ethical thinking and respectful conduct.

Graduates of RBIS will be successful learners ready to engage actively in society as productive, problem solving and ethical citizens. The impact of the high quality teaching and learning experiences delivered at RBIS will be further enhanced by a mutually respectful partnership with parents and the broader community.

We wish to make education at our school, a TOTAL experience where students slog for "A's at academics, participate in all school activities with enthusiasm and yet actively involve themselves with community service projects.

In the first half of this year the school has carved a niche for itself among the cluster of educational institutions in the city and will continue to spread its wings even wider than today in the not so distant future.

All year through the whole school team continued to put efforts towards quality improvement in every aspect of our work. Our commitment has been to ensure the overall holistic development of our students, thereby in addition to all our efforts to impart the best education, we also provide equal importance to co-scholastic activities like sports, physical education, self development etc.

Excellence in academics is the hallmark of any good institution. Achieving academic excellence is at the heart of endeavour of all educators and academic institutions.

In this regard the hallmark event in the young history of the school was the passing out of the FIRST TERM EXAMINATION. I feel enormous and immense bliss and gratification to announce that, TERM results have been spectacular.

It was a gratifying experience to see the brilliant performance of our students in all the classes. 294 students appeared for the examination and each one has secured good marks.

The toppers displayed amazing performance in various subjects.

133 students scored above 90% . Our top scorer were Tanishq Gatuam, Aditi Saini, Armaan Singh, Meharpreet, Sanchit Ohri, Kamalpreet, Nishika Saini, Anjali, Divanshu, Dhairya, Rehyan, Armanjit, Kritika who got very good score.

Let me now begin my report with the activities of the Primary section, and students have learnt many things through experiential learning such as: Germination, Living and Non Living things, Big and Small, One and many, Sand Activities, Shapes Hunt etc.

The fourth dimension of the human personality is the physical. I now turn to SPORTS AND GAMES. The year 2017-2018 has been an eventful year for our students on the sports field. Regular coaching sessions in Karate, Taekwondo, Boxing, Football, Cricket and Wrestling were conducted before and after school hours. These sessions along with the interclass and inter-house matches, helped our young sportsmen hone their talent and sharpen their skills. Special coaching sessions in Karate were conducted during the vacations. Our students

participated in various championship tournaments at district, state and national levels and won prizes. A few commendable achievements at the district, state and national levels are as below.

- **Laganpreet Kaur** (of Class 7) won Gold Medal in Open National and at District level Karate Championship and won Bronze at state level.
- **Vaibhav Ohri** (of Class 3 B) won Gold Medal in State level Judo Championship
- **Harshdeep Singh** (of Class 5 A) won Bronze medal in National level Taekwondo Championship.
- **Harshita** (of Class 4) won Silver medal in National level Karate championship.

Also, our school ground was given to the district education for Inter Zonal Tournament of KHO KHO. Our School team was first in that tournament.

Turning to some individual events,

- **In badminton-** Sanchit Ohri(of class 5 A) won Silver medal at district level Badminton tournament .
- **In Boxing** - Astitva Sharma(of class 7) won Gold medal at district level. Moreover We won 8 silver medals and 5 Bronze medals at District level.
- **In Taekwondo** - We won 2 Silver and 10 Bronze medal
- **In Karate-**
  - ❖ Sukhvir Singh(of class 6) was outstanding, and won Gold medal at district level.
  - ❖ Prithviraj chauhan (of Class 5) won Silver medal at district level and Bronze at National level and moreover we won 4 Silver and 7 Bronze at district level.
- **In Wrestling** – Rishi Bhanot( of Grade 7 )and Tushar Pathak (of Grade 6 won Gold medal at district level and moreover we won1 Silver and 1 Bronze at district level.
- It is truly satisfying to see the huge response to sports and games at RBIS.

## **Curricular & Co-curricular Activities...**

I shall now turn to some co-curricular activities that we are engaged in. The inter-house Sports competition continues to be one of the biggest attractions of the year. Our students practice long and hard for this event.

Co-curricular activities facilitate the development of various domains of mind and personality such as the intellect, emotion, social engagement, morality and aesthetics. We have had Various Interhouse competition like dance , Meri awaz suno, Fancy dress etc. Then we have had the usual rounds of debates, quizzes, extempore –English language. I am happy to report that our students have participated in nearly a dozen such programmes.

As part of enrichment programme, various workshops & seminars are periodically organized throughout the year for the overall development and enhancement of skills in teachers and students.

Workshops for students on Child Safety, Good Touch and Bad Touch, Bus Safety Rules were conducted .Our motive to conduct these types of workshop to inform our students about the dangers with anxiety. Keeping this thing in mind we organized special PPT classes in our school.

The school has integrated life skill training program in the schedule so that students develop the ability to meet difficulties in life in a constructive way. It involves performing skits, making posters, etc. Students with special needs are identified and monitored by the class teachers and subject teachers.

The teachers of our school have constantly been updating their teaching skills and have attended workshops conducted by EDUCOMP. This training was implemented in the classroom by those who attended the workshops.

I also mentioned about the school assemblies. Our school assemblies are done very creatively and with full enthusiasm. In these assemblies all the subject related topics were explained in an enactment way i.e. roles are assigned to the

students. For example- Photosynthesis, Solar system, seed Germination, Balanced Diet, Life Cycle of butterfly, Junk food etc.

I also mentioned a student named Kamalpreet (of Grade 5 B) who was participated in “huner e hoshiarpur” competition. She got her first opportunity in album **Ambersar walla of Jordan Sandhu**, then in **Mini bus by Rudhveer Singh**.

She has done shooting in Gippy Grewal’s movie **“Subedar Joginder Singh(1<sup>st</sup> biopic in pollywood)”** under the direction of Simarjit Singh well known for blockbluster movies like “Angrej, Nikka Jaidar 2” etc. and that experience she will never forget.

This summer, we took the students for a weekend camp conducted by F9 club. A national level organization, with trained staff, they deliver high-impact development programmes. The large ground rang with the excitement of our student as they participated in a Aerobic, Vedic Maths, Karate, Art and craft, Dance, Cooking Classes and other entertainment activities like Rides for children, Water rides, Tattoo making, Puppet show, Magic show. Summer camp ended with special events like Magic show, Dance performances, Vedic maths Performance, Seminar on Self defence by Mr. Vicky Deol.

We have also celebrated English week from 17<sup>th</sup> july to 22 july 2017. Different conversations at different Public places like Banks, Hospitals, Supermarket and Bus stand have presented in the form of play. Special PPT presentation was done by Vice Principial Ms. Harpreet Pandher.

Over 100 students with help of the Art teacher have done various art activities like Clay modelling for senior students(Tile work), Paper crafting ( For junior students), Madhubani Painting, Gond art, Slogan writing, Illusion art etc.

**The Independence Day & Teachers“ Day were celebrated with great reverence and fervor.** On Independence day, Grade 7 students presented the play on the martyr “Shaheed Bhagat Singh”and his companions. Moreover Students of all houses participated in March past along with their house masters and house members. Celebrations, sharing the happy moments together and spreading joy all around is a vital facet of Rayat Bahra Parivar.

Teej, Baisakhi, Raksha Bandhan, Janmashtami, Diwali and other important festivals were celebrated with great zest and veneration. School was decorated with flowers. Our motive to celebrate these kinds of festivals so that students get in touch with their culture.

In our school Science fair was held at 3<sup>rd</sup> nov, 2017 which was organized by Day Dreamers. Total 20 students of Grade 5, 6, 7 participated in science fair. Approximate 15 teams participated for projects and 12 teams for quiz from different schools.

### **NEW ADDITIONS**

By the GRACE of GOD the infrastructure of the school is near completion.

- TWO new blocks consisting of 20 class rooms, 3 Labs and two washrooms have come up on the third and fourth floor.
- A hall for indoor games has also come up on the top floor.

All the achievements made by the school are still the beginning. There are many skies yet to be explored. Leaps of imagination and dreaming are under process to light tomorrow with today. The school planning committee has determined targets for the school's future development.

I take this opportunity to commit myself and my team to our best to serve this society through quality education. We seek the blessings of the ALMIGHTY and look forward to another fruitful year with renewed confidence, real sense of anticipation and highest hopes for continued progress in all aspects for the bright future of the school.

I would like to place on record my most sincere thanks to the management of RBIS. Thank you very much S. Gurvinder Singh Bahra Ji and S. Nirmal Singh Rayat Ji for the trust and excellent support you have been giving me.

You work tirelessly towards the development and growth of the school. Due to this we are confident that RBIS will, without any doubt, be the school of choice for discerning parents in the not so distant future.

My report on the school would be incomplete if I did not make mention of our wonderful RBIS team of teachers who work with dedication and put in their all out effort for the welfare and education of their charges. At times, I feel that I make too many demands on my teachers, but they have always responded very positively. I would like to take this opportunity to convey my most sincere thanks to our beloved Campus Director Dr Chander mohan and our ever positive Director Schools Dr Rakesh Sachdeva, who have helped me to stay tuned to maintain high standards in the school.

I am also highly thankful to Vice Principal Mrs Harpreet Pandher and the entire teaching staff for their unflinching support and cooperation, and for making things happen very efficiently and smoothly at the school.

I would also like to place on record my most sincere thanks to the team of Administrative and IT department staff who keep the whole machinery well lubricated, and our records intact and in a meticulous manner. My thanks to the entire team of support staff for their 'behind the scene' work to keep the school environs tidy and presentable.

Now a few words to the students. I recall a saying I read sometimes ago "Every time GOD sends a child into the World, HE is proclaiming that HE has not lost hope in mankind yet" History of mankind is proof that it is always a few good people who have made all the difference and made our world a better place. Dear students, you are fortunate that you have such caring parents, and you attend a good school. Endeavour to make yourselves good human beings and make this world of ours a better place than you find it today. That will be the acid test of your privileged education.

I also extend a heartfelt gratitude, to the parents who are my source of energy. With their positive criticism they assist me to endeavour for the betterment of our kids, school and society at large. I would also like to thank my well wishers for their continued assistance and guidance at all times.

**Before I sum up a few lines**

“ One day your life will flash before your eyes.

Make sure it's worth watching”

- Gerard Way

At the end, I would like to thank you all for bearing with me for so long, and I now invite you to enjoy the beautiful Message our children have prepared for you. May God bless you all.

**Thank You**
